

Travel Immunization Notice

Due to insurance companies limited benefits on Travel Consults and Travel Immunizations as some insurance companies consider them elective and not a covered benefit, Hillside Family Medicine, LLC requires payment in full at the time of service.

As a courtesy, Hillside Family Medicine, LLC will bill most U.S. health plans. Any payment received from the health plan billed for Travel Consults and Travel Immunization services rendered will be reimbursed directly to the credit card used for payment at the time of service or via check that will be mailed to the address on file.

In addition to immunization charges listed below, there will be an immunization administration fee for EACH vaccine given.
